The health crisis of Covid-19 breaks out in Cyprus resulting in the strict lockdown imposed. This was the cause of the creation of the humanitarian initiative «Yellow Line of Aid and Solidarity». An idea of Andreas Sophocles which was held through the partnership of ΚΕΡΑΚΥ-AEL and Costas Vichas. With our motto «Together we can» we started in the difficult conditions of quarantine, and we continue to constantly offer food packages to the vulnerable groups of our fellow citizens throughout Cyprus. The valuable experience of ΚΕΡΑΚΥ helped organize and register the groups in need, through cooperation with collectives, municipalities and communities.
